## Arrowood veneer offers impressionable appeal and incredible affordability.

Enjoy the longevity of Arrowood veneer's battle-tested workplace wisdom and its timeless design that transcends even the most discerning trends for lasting appeal in style and performance. For additional worksurface resilience, select a laminate top for high use areas. With choices such as 3/4 or full pedestals with complementing modesty panels, you can specify the look that best complements your style and budget whether for private offices and administrative areas or cascading units in more open spaces.

## Arrowood laminate offers budget-stretching attractiveness and durability.

Like its veneer sibling, Arrowood laminate features the same clean lines and mitered rim details, but with the incredible durability of all laminate worksurfaces and chassis. You'll find laminate options to complement our wood finishes for a smooth transition into high traffic areas. Arrowood's exceptional value isn't limited to its budget-friendliness; the entire collection has earned BIFMA level® 3 and SCS Indoor Advantage™ Gold certifications making it even more attractive.
